

NEW SECTION

WAC 246-933-350 Release of a veterinary prescription. (1) If requested by the client, a veterinarian must provide a written prescription for any medication prescribed by that veterinarian under a valid veterinarian-patient-client relationship.

(2) Alternatively, if requested by the client, the veterinarian may call or fax the prescription or send the prescription by electronic means to any pharmacy of the client's choosing that is licensed to do business in the state of Washington.
