

Leadership Academy

2011-2018 GRADUATES!

Join the WSVMA for an exciting leadership program! Power of Ten is a WSVMA initiative designed to help recent graduates* develop foundational skills in leadership, communication, and business. **Application deadline is Friday, August 31, 2018.** See “How Do I Sign Up” section below for application information and links.

How It Works

Ten participants will be selected from the applicant pool to participate in the Power of Ten leadership academy. Veterinarians from any practice type or career path are invited to apply. Participants will join a network of peers in a series of learning experiences that commence in November 2018 and culminate in September, 2019. Power of Ten is a pathway to help recent graduates answer questions such as:

- I emerged from veterinary school and I'm in practice -- but how can I get a better grasp on what makes me tick?
- Now that I have a technical staff, how can I form, manage and lead an effective team?
- Who am I in the bigger picture, and what can I give to my family, my community, and my profession that will be my legacy?

Participation in the Power of Ten class creates a spirit of community and participants build lasting bonds with other members of the leadership academy class.

In-person learning experiences are scheduled to minimize the impact on working hours -- and the entire program is designed to garner support from practice owners who recognize their key responsibility in

developing human potential. Participants will also have the opportunity to participate in a listserv, webinars, and other special offerings exclusive to the Power of Ten.

Dr. Lindsey Hornickel, recognized for her leadership within the veterinary profession, is the curriculum coach. She'll be assisted by subject matter experts, veterinary mentors, and certified facilitators in helping Power of Ten participants grow through in-depth, high-impact learning experiences.

Participants will receive full tuition scholarships to the program -- plus complimentary registration to WSVMA's Pacific Northwest Veterinary Conference 2019 in Tacoma, where Power of Ten Leadership Academy graduates will be recognized.

WSVMA will provide food for gatherings, coaches and the curriculum team, participants are otherwise responsible for their own lodging if needed and for transportation to all learning experiences.

* GRADUATED VETERINARY MEDICAL SCHOOL BETWEEN 2011-2018.

Key Benefits

Through the Power of Ten, participants will:

- Develop fundamental understanding of leadership skills and emotional intelligence.
- Deepen comprehension of communication styles and skills.
- Acquire critical skills to intensify business acumen.
- Gain the competency to utilize these skills within one's life, practice, and community.
- Over 20 CE Credits awarded in Practice Management.
- Heighten awareness of one's self and better understand how to maximize interactions with those around you.
- Develop a vision of the leader you can be -- and what it takes to become that leader.
- Experience a supportive environment that fosters meaningful interpersonal relationships and collaborative, lifelong interactions.

Why Power of Ten?

Don't take our word for it...

Listen to what these Power of Ten participants have to say about the program!

"The WSVMA Power of Ten Leadership Academy has given me the courage to set higher goals for myself and the tools to reach them. This multi-dimensional program has expanded my abilities and confidence, both professionally and personally."

Liz Myers, DVM

Columbia Veterinary Center, Vancouver
Washington State University, Class of 2010

"The Power of Ten program has allowed me to take a frank and in-depth look at my personal management style. This has helped me in my daily life as I now am able to recognize other's styles and have a deeper respect for how they work."

Christina Meyer, DVM

Chuckanut Valley Veterinary Center, Burlington
Washington State University, Class of 2008
